Check if you are a builder/developer and building is not yet owned by live-in residents: "Spec Building"

Installation and Equipment Information

Purchase Date:

INSTALLATION TYPE: New Construction Replacement

Key Program Requirements:

- Must be ENERGY STAR® or Designlights qualified fixtures (no lamps).
- Outdoor lighting must be on from dusk to dawn, controlled by photocell and not wired to a motion sensor or manual switch.
- A \$600 household limit is applied over a 5 year period.

Rebate Table

LED Fixture Type	Lamp Wattage	Fixture Code	Rebate/ Fixture
Indoor Fixture	4 Watt Minimum	HWL	\$5
Outdoor Fixture	20 to 34 Watts	LED1	\$15
	35 to 49 Watts	LED2	\$20
	50 to 74 Watts	LED3	\$40
	75 to 124 Watts	LED4	\$50
	125 Watts or More	LED5	\$60

The Cooperative is partnering with local retailers in Iowa as part of the **Be Bright** lighting program. Products available through this program include lamps that do not qualify for mail-in rebates using this form. Discounts are applied to the marked price at participating retailers.

Complete table below:

- Use appropriate fixture code and enter new row for each fixture with the same model number.

Type Code	Brand	Model	NEW Watts/ fixture	OLD Watts/ fixture	Unit Price* (per fixture)	Rebate Per Fixture	Quantity	Rebate <small>Round up to Whole Dollar</small>
Rebate cannot exceed 50% of Price.						TOTAL		

Proof of Purchase Required: Contractor Installed - Must provide contractor invoice which includes product type, quantity, brand, model number and installation date. Retail Purchases - Must provide receipt and/or product cutouts which identify product type, quantity, brand, model, purchase date and ENERGY STAR or DesignLights qualification.

Member Agreement (Must Sign)			
I verify that the above described equipment was installed on the date and location specified. I agree to all program requirements provided (either separately or on back of this form) and that my electric Cooperative reserves the right to inspect all equipment and verify information before issuing a rebate.

Terms and Conditions - Residential Lighting Incentives

Program Offer: The Program covers products purchased and/or services rendered on or after **January 1, 2018**.

Program Requirements:

1. Fixtures must be ENERGY STAR® or Designlights® qualified lighting products and listed on the appropriate website at www.energystar.gov or www.designlights.org.
2. A household limit of \$600 is applied to each account. Limit applies to activity in most recent five calendar years including the current year. Installations from previous residents are not included.
3. The following proof of purchase must be provided to the Cooperative:
 - **Retail Purchase - Member must provide receipt and product cutouts (if necessary) for each fixture.** The receipt or invoice should confirm product type, quantity, brand, model number and purchase date. If the model is not provided on the receipt or invoice, a product package cutout indicating the product type and model should be provided.
 - **Contractor Installed - Member must provide contractor invoice.** The invoice must include product type, quantity, brand, model number and installation date.
4. Indoor fixtures must be at least 4 Watts per fixture.
5. All lighting products must be installed and are subject to utility verification.
6. ENERGY STAR Qualified LED Fixtures apply to many different fixture types, including can fixtures, surface mount, and torchiere lamp fixtures.
7. ENERGY STAR or DesignLights Qualification can be verified by one of the following:
 - Provide cutout of package displaying the ENERGY STAR or DesignLights logo.
 - Provide printout from ENERGY STAR or DesignLights website confirming eligibility of each fixture model indicated on the form.
8. Must replace or install entire fixture (no lamp or bulb replacements)
9. Replacement fixtures must have a lower wattage than original fixtures.
10. Outdoor lighting fixtures must also meet the following requirements:
 - Must be on from dusk to dawn and controlled by an automatic photocell sensor.
 - **Lights cannot be wired to motion sensor or manual switch.**
 - Mountings: wood /steel poles or side of buildings.
 - Pre-approved is necessary for requests of over 25 outdoor units.

Be Bright Retail Discounts

The Cooperative is partnering with over 350 local retailers in Iowa as part of the **Be Bright** lighting program. As part of this program, the Cooperative has bought down the price of various ENERGY STAR® rated CFL and LED bulbs and fixtures that are available at participating retailers.

Discounts of up to \$10 per lamp or fixture have already been applied to the marked shelf price at participating retailers. No claim forms are used. Just visit one of the stores listed at iowachangealight.com and purchase CFL or LED bulbs and fixtures identified on the shelf with Be Bright promotional materials.

General Terms and Conditions

Rebates shall be pro-rated based on the percent of power supplied by the Cooperative if the member has distributed generation.

Application Information: Missing or incorrect information on the application may delay processing and delivery of the rebate. An invoice is required and should include specific product information, including the brand, model, serial number and date of purchase of the energy efficient measures. Other information including manufacturer's equipment performance sheets may be required upon request.

The Cooperative reserves the right to verify sales transactions and to have reasonable access to the Member's facility to inspect pre-existing equipment (if applicable) and energy efficient measures installed under this program.

Warranty Information: The Cooperative makes no warranties, expressed or implied, with respect to equipment operation, material, workmanship or manufacturing. The Cooperative does not guarantee that a certain level of energy or cost savings will result from the use of products covered by this program.

Limitation of Liability: The Cooperative's liability in connection with this program is limited to paying the rebate specified when all terms and conditions have been satisfied. Under no circumstances shall the Cooperative be liable for any consequential or incidental damages or tax liability resulting from participation in this program.

Participant Certification: Participating Member certifies that he/she purchased and installed the equipment listed on their application at the defined location served by the Cooperative. The Member agrees that all information provided is true and that he/she has conformed to all program requirements. If the equipment and application does not comply with the Cooperative's rules and qualifications, the rebate amount may be denied or adjusted.

Program Changes/Termination: The Cooperative reserves the right to extend, modify (including incentive levels) or terminate this Program at any time without prior or further notice. The Member is responsible for checking with the Cooperative to determine whether the program has been changed or is still in effect.

Members must apply for rebates within six (6) months of the purchase date (as shown on the Member's invoice). Past eligibility, however, does not guarantee that equipment will meet criteria for current programs in effect.
