Volume 70 Number 9 September, 2024

A monthly publication for the members of Eastern Iowa Light & Power Cooperative

Eastern Iowa REC is participating in an energy use survey

Please be aware that Eastern Iowa REC, in conjunction with our power supplier Central Iowa Power Cooperative (CIPCO), is conducting a survey of a random sample of our residential members this fall. This survey

asks about your home, your appliances, energy efficiency measures, and your opinions about energy use and related topics.

Only a small portion of our residential members will receive a copy of the

survey in the mail. If you receive a survey, we ask that you take 10 minutes to complete it and return in the postage-paid envelope provided or complete it online at the web address found on the questionnaire. We appreciate your help!

The annual Cooperative patronage treasure hunt

In 2023, the Eastern Iowa REC Board of Directors authorized a general retirement of patronage earned by members who had active service with the Cooperative in 2008, 2009 and 2022. Active members received a bill credit. Members who no longer receive service from the Cooperative were mailed a check.

The following is a list of names of former Cooperative members whose patronage or other checks were returned to us as undeliverable, and we were unable to find a valid address or whose checks were not returned but were not cashed.

If you know any of the people on the list, have them contact the

Cooperative patronage department, toll free, 1-855-938-3616.

Remember to keep the Cooperative informed as to your current address even if you move off Cooperative lines and include a note in your estate information to contact the Cooperative regarding your patronage.
