Current News

Volume 71 Number 9 September, 2025

A monthly publication for the members of Eastern Iowa Light & Power Cooperative

The annual Cooperative patronage treasure hunt

In 2025, the Eastern Iowa REC Board of Directors authorized a general retirement of patronage earned by members who had active service with the Cooperative in 2009, 2010 and 2024. Active members received a bill credit. Members who no longer receive service from the Cooperative were mailed a check.

The following is a list of names of former Cooperative members whose patronage or other checks were returned to us as undeliverable, and we were unable to find a valid address or whose checks were not returned but were not cashed.

If you know any of the people on the list, have them contact the

Cooperative patronage department, toll free, 1-855-938-3616.

Remember to keep the Cooperative informed as to your current address even if you move off Cooperative lines and include a note in your estate information to contact the Cooperative regarding your patronage.
